

Greetings Community Members or Business Patrons,

The USA Patriots Amputee Softball Team is coming to Hagerstown, Maryland! It is great pleasure that we invite you and your organization to be a sponsor of this event. On August 29th, 2026, the team will showcase their skills at Meritus stadium in a double header against local first responders and veterans.

The USA Patriots, formerly known as the Wounded Warrior Amputee Softball Team (WWAST), a 501(c)(3) public charity whose mission is to bring athletic and like-minded veteran amputees together to promote the benefits of inclusive sport and therapeutic recreational activities.

The team is comprised of veterans that sustained amputations while serving in the military. Through the game of softball, the USA Patriots encourage others to preserve after tragedy. "Life without limbs is limitless" It is incredible to see firsthand not only what these men do on the field but also how they touch lives off the field, most importantly inspiring children with limb loss/limb difference from across the country. USA Patriots sponsors kids camps each year and serve as coaches and mentors, teaching campers not only softball skills but also life lessons. Your generosity is what makes it possible for the USA Patriots to continue inspiring children with limb loss/limb difference and their families. See further page for details.

Thank you so much for taking time to read this and please feel free to contact me with questions. For further information regarding this event contact Mike Kelbaugh at drumlikeme@aol.com.
